

Questions about equipment on RFP 2025-GBSD-C2:

- Support Term for the Controller Licenses?
 - H8FL0E and H8FP0E are the only support SKUs listed on the quote. The part numbers are for one year of maintenance for the licenses listed in the E-Rate part numbers, as indicated by HPE.
- What would the school district prefer for type and duration of maintenance.
 - The part numbers listed (H8FL0E and H8FP0E) are 1-year of maintenance on the AP licenses as indicated by HPE. These are the only maintenance items requested in the RFP.
- Should we be including mounting Bracket for the AP's, if so is there a preference for type.
 - The part numbers listed (Q9G69A and R1C72A) are the desired type and quantity of mounting brackets.
- Would the School district like to include Dual PS's in the 6300m switches with and is there a preference on which PS's they would like in these switches?
 - The part numbers and quantities in the RFP include the power supplies (JL670A) that we would like to purchase for the 6300m switches.
